Date: 26 APR 2021

**CIRCULAR**

As a part of our initiative towards reducing pollution of Pune city and becoming environment friendly, and also for developing our campus as a “Clean and Green Campus”, it is necessary to avoid pollution by reducing use of vehicles.

Thus, as a part of Green Measures, all the staff members are hereby informed to reduce the dependence on vehicles by voluntarily increasing use of bicycles, public transport and carpooling while attending office every Wednesday. Also, this day shall be treated as a “No Vehicle Day” within the college campus.

All the heads of sections, officers incharge and student councillors should take a note of this and bring it to the notice of all the staff and students.
